2020 Drone Market Sector Report

Opportunities and challenges in key market segments

DA

Table of Contents

List of Figures *5*

List of Tables *7*

Vendor Sponsor & Media Partners *8*

Vendor Sponsor 8

Media Partners 8

Executive Summary *9*

About This Study *10*

How to Read This Report 10

Background 11

Methodology 12

Glossary 13

Demographics 15

Key Insights *21*

Insight 1 – On Business/Agency Spending 21

Insight 2 – Security Claims Market Impact 21

Insight 3 – COVID-19 Effect Across Stakeholder Type 22

Insight 4 – Industrial Use vs. Photo/Video Use Breakdown 23

Insight 5 – Drone Price Adjustments 23

Insight 6 – Drone Brand Hardware Market Shifts 24

Insight 7 – Changes to Preffered Purchase Channels 24

Insight 8 – Software Market Makeup and Brand Share 25

Insight 9 – Service Provider Revenues and Sustainability 25

Insight 10 – Key Hurdles to Industry Growth 26

Understanding Segments and Verticals *27*

Understanding Purchases 27

Drone Distribution Businesses 27

It's Still a Multirotor Aircraft World 28

Primary Uses of Drones 28

Security Concerns Impact on Purchases 28

What Factors Drive Purchasing Decisions 29

Bottom Line 30

Understanding Service Providers 31

Published 12/10/2020, Copyright © by 1855543 Alberta Inc. (o/a) DroneAnalyst

Aging, But Not Growing 31
Industry Targets 31
Drone Pilot Networks 32
Bottom Line 32

Understanding Business and Public Agency Users 34
Top Industrial Uses 34
Program Maturity and Outsourcing 34
Program Heritage – Is Adoption "Bottom-Up" or "Top-Down"? 35
Bottom Line 36

Understanding Software Services 37
Drone Operations Management Software 37
Insights / Analytics Software 37
Bottom Line 38

Detailed Findings 39

Section 1: Drone Aircraft and Payload Purchases 40
Drone Aircraft Type 40
Top Drone Brands 42
Price Points 45
Place of Purchase 46
Purchase Objective 48
Use By Price Point 50
Payloads 52
Additional Mounted Accessories 55
Purchasing Decision Factors & Security Requirements 56
Impact of Security Claims About Chinese Products 59

Section 2: Drone Services 61
Length of Service 61
Size of Service Businesses 63
Drone Aircraft Utilization 66
Services Offered 67
Training 69
Growth Prospects 71
COVID-19 Impact on Service Providers 75
Impact of Chinese Security Concerns 76
Pilot Networks 77

Section 3: Business and Agency Users 80
Services Performed or Purchased 80
Program Maturity 81
Outsourcing and Service Provider Used 84
Business or Agency Revenue and Program Size 87
Aircraft Utilization 89
Training 91
Drone Program Heritage 91
Drone Spend and Growth Prospects 93
COVID-19 Impact on Business and Agency Users 97

Section 4: Software Services 98
Software Types 98

Consumption Preferences & Stakeholder Access 100
Drone Operations Management Software 102
Insights / Analysis Software 105

About DroneAnalyst 109

License Agreement 110

Appendix: Questions 111

Demographic Questions 111

Drone Purchases 112

Service Providers 118

Business and Public Agency Users 122

Software Apps and Services 126

List of Figures

Figure 1: Respondents by Region 15
Figure 2: Respondents by Section(s) Answered 16
Figure 3: Respondents by Age 18
Figure 4: Industry / Sector of Respondents 19
Figure 5: Respondents by Role 20
Figure 6: Drone Aircraft Type Purchased 40
Figure 7: Drone Brand Market Share 42
Figure 8: Drone Brand Market Share by Country of Origin 44
Figure 9: Most Expensive Drone Purchase 45
Figure 10: Where Drones Are Purchased 46
Figure 11: Changes in Place of Purchase 47
Figure 12: Primary Purchase Objective 48
Figure 13: Primary Purchase Objective (Professional Use Only) 49
Figure 14: Changes in Professional Purchase Objectives 50
Figure 15: Hobby vs. Professional Use by Price 51
Figure 16: Camera and Sensor Integration Method 52
Figure 17: Sensor Type(s) 53
Figure 18: Sensor Brand Market Share 54
Figure 19: Add-on Payload Market Makeup 55
Figure 20: Other Mounted Accessories 56
Figure 21: Primary Purchasing Factors 57
Figure 22: Necessary Security Features 58
Figure 23: Impact of Security Claims About Chinese Products 60
Figure 24: Number of Years Offering Services 61
Figure 25: Changes in Duration Offering Services 62
Figure 26: Years of Services By Region 63
Figure 27: Revenue From Drone Operations 64
Figure 28: Number of Full- and Part-time Employees 65
Figure 29: Drone Projects per Year (Service Providers) 67
Figure 30: Primary 3 Services Offered 68
Figure 31: Training Methods Used (Service Providers) 70
Figure 32: Training Provider(s) Used (Service Providers) 71
Figure 33: Future Hiring Intentions (Service Providers) 72
Figure 34: Issues Inhibiting Growth (Service Providers) 73
Figure 35: Changes in Issues Inhibiting Service Provider Growth 74
Figure 36: Net Impact of COVID-19 (Service Providers) 75
Figure 37: The Effects of COVID-19 (Service Providers) 76
Figure 38: Impact of China Security Concerns (Service Providers) 77
Figure 39: Participation in Drone Pilot Networks 78
Figure 40: Pilot Network Share of Service Providers 79
Figure 41: Primary Mission of Drone Program 80
Figure 42: Number of Years Using Drones 81
Figure 43: Region / Years Using Drones 82
Figure 44: Program State 83
Figure 45: Drone Program Structure 84
Figure 46: Business and Agency Outsourcing 85
Figure 47: Business and Agency User Revenue 87
Figure 48: Number of Staff Involved in the Program 88

Figure 49: Drones Owned or Leased *89*
Figure 50: Drone Projects Per Year (Business and Agency Users) *90*
Figure 51: Preferred Training Method (Business and Agency Users) *91*
Figure 52: Drone Program Founding *92*
Figure 53: Program Founding / Age *93*
Figure 54: Business and Agency Spend *94*
Figure 55: Expected Spending Changes (Business and Agency Users) *95*
Figure 56: Drone Program Challenges *96*
Figure 57: Impact of COVID-19 (Business and Agency Users) *97*
Figure 58: Software Type(s) Used *99*
Figure 59: Software Consumption Preferences *100*
Figure 60: Respondent Type / Software Consumption Preferences *101*
Figure 61: Stakeholders with Access to Drone Data *102*
Figure 62: Drone Operations Management Software Market Share *103*
Figure 63: Software Category Maturity (Drone Operations Management Software) *104*
Figure 64: Primary Purchasing Factors (Drone Operations Management Software) *105*
Figure 65: Insights/Analytics Software Market Share *106*
Figure 66: Software Category Maturity (Insights/Analytics Software) *107*
Figure 67: Primary Purchasing Factors (Insights/Analytics Software) *108*
